

# Undie Sunday!

May is Foster Care Awareness Month

Throughout the month of May, the North Carolina Foster Parents Association is sponsoring Undie Sunday. North Carolina has over 10,000 youth in foster care. We will be collecting new socks and underwear to be distributed to these children and teenagers. We need your help! Please join us in this effort. Host a collection site in your faith community or civic group, and/or help us distribute to local county departments of social services and foster parent support groups. Complete the information below to get started.
